

Website Privacy Notice

This notice describes how personal data may be processed when you interact with the website zenithprimecapital.com.

Data controller

Zenith Prime Capital Ltd (British Virgin Islands business company). For privacy inquiries: contact@zenithprimecapital.com.

What data may be collected

If you email the Company, we may process your email address, name, message content, and any attachments you provide. The website itself is informational and does not include account registration, payments, or client onboarding forms.

Purpose and legal basis

We process data to respond to inquiries and manage legitimate business communications. We do not sell personal data.

Retention

Messages are retained for as long as necessary to manage the relationship, comply with legal obligations, and maintain appropriate records.

Sharing

Data may be shared with professional advisers or service providers strictly as needed (e.g., email hosting), and with regulated counterparties during legitimate due diligence when you are an authorised representative of such counterparty.

Your rights

You may request access, correction, or deletion of your personal data, subject to applicable legal limitations. Contact: contact@zenithprimecapital.com.
